

Chapter 7 Questions:

- 1:** Who does Orwell suggest is responsible for spreading the idea that Snowball visits the farm at night?
- 2:** What makes some of the animals confess to 'crimes' when they know they will be executed? Why does Napoleon want them to confess?
- 3:** Re-read the paragraph beginning 'The animals huddled about Clover'. Why do you think Orwell chooses to include it and place it in this particular chapter?
- 4:** Why do the words of the new anthem not 'come up to "Beasts of England"'?
- 5:** What methods does Squealer use to control the animals?
